# How to Ride RRTA Buses

## 1. Locate a Bus Stop

RRTA bus stop signs are placed throughout Lancaster City and County along our routes. If you live in Lancaster City, locate the nearest bus stop for your route and wait for the bus to come to your stop. Outside Lancaster City, if

no bus stop sign is nearby, wait on the same side of the street as the bus travels. Wait at a safe area and “flag” (wave to) the driver as the vehicle approaches. Please be at the bus stop at least 5 minutes prior to the scheduled arrival of the bus.

## 2. Identify Your Bus

Each RRTA bus is identified by a route number and name, for example, “Route 10/Lititz.” Each bus indicates the route number and/or name on the outside of the bus so it is easy to determine which route it is.

## 3. Board Your Bus

- Remember to stand in clear view of the driver and wave as the bus approaches if you are not at a marked bus stop. Waving to the driver is also helpful while standing at a marked bus stop to let the driver know you would like to board that particular bus. You may wave a flashlight to ensure the driver sees you waiting in the dark.
- If you find it difficult to climb the front steps of the bus, ask the driver to lower the bus for you. Our buses have a special “kneeling feature” which lowers the first step to curb level.

- If you see a bus coming toward you that isn’t the one you want, wave the driver on.
- Let departing passengers off before you try to board.

## 4. Pay Your Fare

Fares are paid when you board any RRTA bus. If you are paying in cash you must have exact change. If you are transferring from one bus to another to complete your one-way trip and are paying in cash, ask the driver for a transfer slip when you board. The transfer slip helps you save money on the second bus. Customers can also pay their fare by using the RRTA Go Mobile App on their phone or using a RRTA Go Mobile card. For customers using mobile payment, transfers will occur automatically in the app.

## 5. Exit Your Bus

Usually drivers will bypass stops where no one is waiting, unless someone signals to get off. As the bus approaches within one block of your stop, signal the driver by pulling the cord or red stop buttons, which are located on both sides of the bus or on the railings along the aisle.

In Lancaster City, passengers must get on and off at marked bus stops signs. Outside Lancaster City passengers may get on and off along the route, even if there is no marked bus stop sign.

### ALL BUSES ARE WHEELCHAIR ACCESSIBLE

For the safety of all passengers, RRTA requires operators to secure all mobility devices with proper 4-point securement before transport.

# Como Viajar en los Autobuses de la RRTA

## 1. Localize Su Parada

Hay señales de paradas de autobús RRTA colocadas en toda la ciudad y el condado de Lancaster a lo largo de nuestras rutas. Si vive en la ciudad de Lancaster, busque la parada de autobús más cercana a su ruta y espere a que el autobús llegue a su parada. Fuera

de Lancaster City, si no hay una señal de parada de autobús cerca, espere en el mismo lado de la calle por donde viaja el autobús. Espere en un área segura y "señale" (saluda) al conductor cuando el vehículo se acerque. Esté en la parada de autobús al menos 5 minutos antes de la llegada programada del autobús.

## 2. Identifique Su Autobús

Cada autobús RRTA está identificado por un número y nombre de la ruta, por ejemplo, "Ruta 10/Lititz". Cada autobús indica el número de ruta y/o nombre en el exterior del autobús para que sea fácil determinar qué ruta es

## 3. Aborde Su Autobús

- Recuerde permanecer a la vista del conductor y saludar cuando el autobús se acerque. Si no se encuentra en una parada de autobús señalizada. Saludar al conductor también es útil mientras está parado en una parada de autobús marcada para informarle que desea abordar ese autobús en particular. Puede agitar una linterna para asegurarse de que el conductor lo vea esperando en la oscuridad.
- Si le resulta difícil subir los escalones delanteros del autobús, pídale al conductor que baje el autobús por usted. Nuestros autobuses tienen una

"función de arrodillarse" especial que baja el primer escalón hasta el nivel de la acera.

- Si ve un autobús viniendo hacia usted ese no es el que quiere, agita el conductor encendido.
- Deje bajar a los pasajeros que salen antes de intentar abordar.

## 4. Pague Su Tarifa

Las tarifas se pagan al abordar cualquier RRTA autobús. Si paga en efectivo debe tener cambio exacto. Si estas transfiriendo de un autobús a otro para completar tu viaje solo ida y pagas en efectivo, pregunta al conductor un comprobante de transferencia cuando junta. El recibo de transferencia te ayuda a ahorrar dinero en el segundo autobús. Los clientes pueden también pagar su tarifa utilizando el RRTA Go Aplicación móvil en su teléfono o usando un Tarjeta RRTA Go Mobile. Para clientes Al utilizar el pago móvil, las transferencias ocurren automáticamente en la aplicación.

## 5. Llegue a Su Destino

Usualmente, los conductores pasarán por alto las paradas donde no hay nadie esperando, a menos de que alguien indique que se quiere bajar. Cuando el autobús esté a una cuadra de distancia de su parada, hale el cordón ó presione las cintas amarillas ubicadas a cada lado del autobús.

En la ciudad de Lancaster, los pasajeros deben subir y bajar en las señales de parada de autobús marcadas. Fuera de la ciudad de Lancaster, los pasajeros pueden subir y bajar a lo largo de la ruta, incluso si no hay ninguna señal de parada marcada.

Para la seguridad de todos los pasajeros, RRTA requiere que los operadores aseguren todos los dispositivos de movilidad con la seguridad adecuada de 4 puntos antes del transporte.

# How to Read a Schedule

*Here are some tips to make reading our schedules easier.*

The route always runs from left to right. The map and schedule are also read from left to right.

Be sure to look at the correct side of the schedule. Some schedules have a weekday and weekend page. Our County routes have an inbound and outbound side.

The bus stops are noted with numbers on the route map that match the numbered columns (timepoints) below the map in the time section. These timepoints note when the bus will be at that specific location. There are many bus stops in between the time points. Times for bus stops not listed can be estimated by looking at the previous timepoint.

If there are any special deviations from the regular route they are noted in a box on the map with a corresponding letter. The letter is noted in the time section when it will occur.

**Helpful Tip:**  
Please be at your bus stop at least five minutes prior to the scheduled arrival time.

**Timepoints**  
Not all bus stops are listed on the schedules. There are many bus stops in between the listed timepoints. Customers can estimate the time the bus will arrive at a bus stop not shown on the schedule.

Also, drivers must wait at the timepoints until the scheduled time before they move onto the next bus stop along the route.

# Cómo Leer un Horario

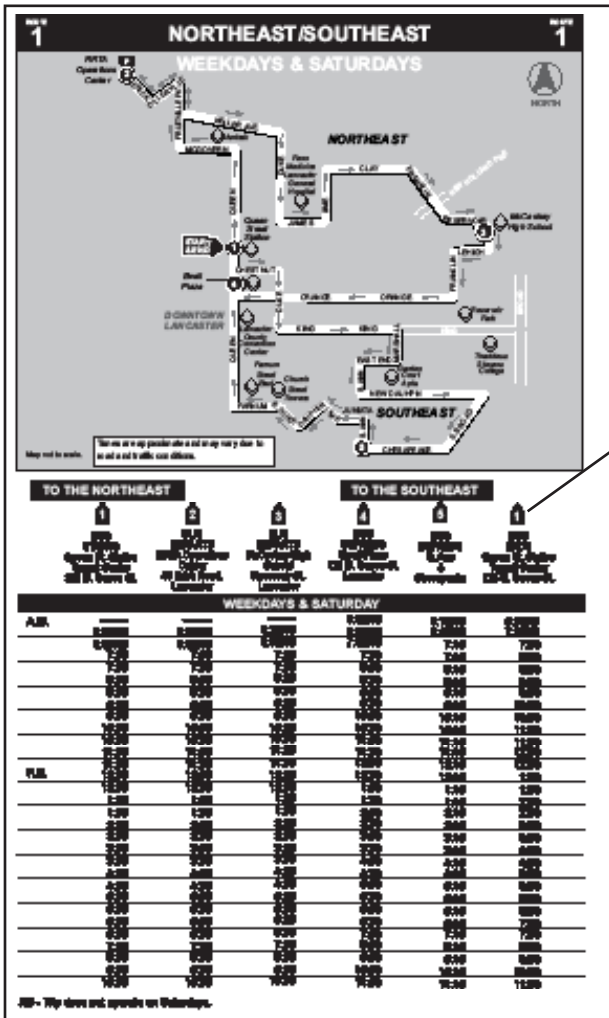

A continuación se ofrecen algunos consejos para facilitar la lectura de nuestros horarios.

La ruta siempre discurre de izquierda a derecha. El mapa y el horario también se leen de izquierda a derecha.

Asegúrese de mirar el lado correcto del horario. Algunos horarios tienen una página de días laborables y de fin de semana. Las rutas de nuestro condado tienen un lado de entrada y de salida.

Las paradas de autobús están marcadas con números en el mapa de ruta que coinciden con las columnas numeradas (puntos de tiempo) debajo del mapa en la sección de tiempo. Estos puntos de tiempo indican cuándo estará el autobús en ese lugar específico. Hay muchas paradas de autobús entre los puntos horarios. Los tiempos de las paradas de autobús que no figuran en la lista se pueden estimar observando el punto de tiempo anterior.

Si hay alguna desviación especial de la ruta regular se anota en un recuadro en el mapa con la letra correspondiente. La carta se anota en la sección de tiempo en la que ocurrirá.

**Consejo Útil:**  
Esté en su parada de autobús al menos cinco minutos antes de la hora de llegada programada.

**Puntos de Tiempo**  
No todas las paradas de autobús figuran en los horarios. Hay muchas paradas de autobús entre los puntos horarios indicados. Los clientes pueden estimar la hora a la que llegará el autobús a una parada que no aparece en el horario.

Además, los conductores deben esperar en los puntos horarios hasta la hora programada antes de pasar a la siguiente parada de autobús de la ruta.

# ***BE NICE and Ride with Respect***

An Enjoyable Riding Experience is our goal for every customer and that all starts with RESPECT. Our Customer Code of Conduct calls on riders to treat everyone the way they want to be treated.

## **Our Customer Code of Conduct**

The following are prohibited on RRTA property and vehicles:

- Spitting, littering, indecent exposure, stealing/damaging RRTA property and disorderly conduct.
- Avoid abusive, threatening or obscene language.
- Disturbing or harassing other passengers or the driver.
- Bringing animals (any pets besides service animals). However, small pets in pet carriers are permitted.
- Smoking tobacco — even electronic cigarettes.
- No food or drink permitted on buses.
- Playing music is permitted only if you have ear buds or headphones that prevent your music from bothering others on RRTA. Turn off the speaker function while riding.
- It's illegal to avoid paying RRTA fare, whether by skipping payment or using counterfeit fare.
- It's also illegal to bring explosives, fuel containers of any kind or other potentially dangerous objects on RRTA property or buses.
- Selling goods or services isn't allowed on RRTA, this includes giving out commercial hand bills and flyers to passengers on buses.
- Strollers, umbrellas and carts must be folded while boarding the bus.

Being respectful of the people around you and being considerate to fellow riders and operators doesn't take more than common courtesy.

And common courtesy is all we ask from our riders.

Una experiencia de conducción agradable es nuestro objetivo para cada cliente y todo comienza con RESPETO. Nuestro Código de conducta del cliente exige a los pasajeros que traten a todos como quieren que los traten.

## **Nuestro Código de Conducta del Cliente**

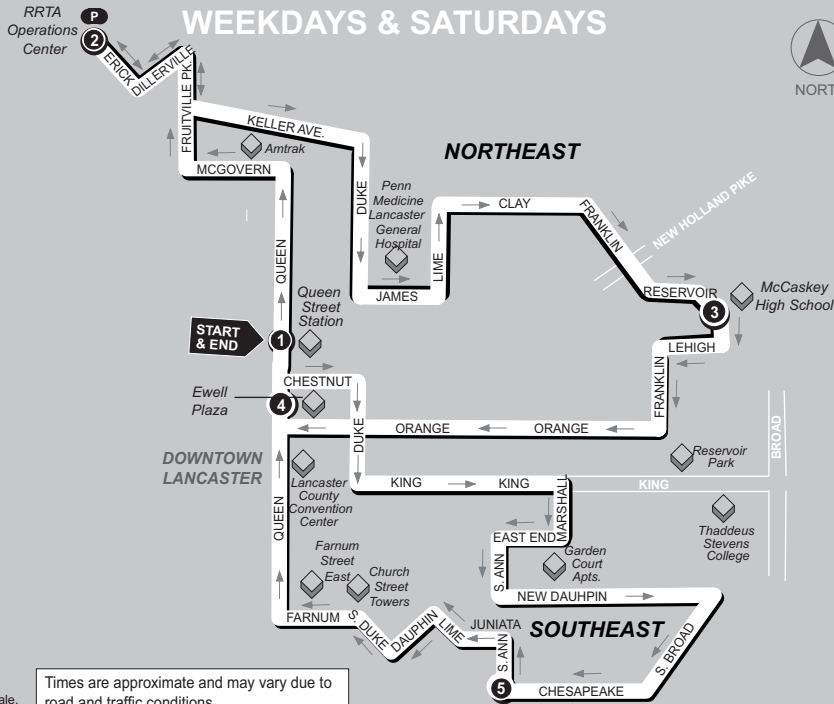

Lo siguiente está prohibido en propiedades y vehículos de RRTA:

- Escupir, tirar basura, exhibicionismo, robar/dañar propiedad de RRTA y conducta desordenada.
- Evite el lenguaje abusivo, amenazante u obsceno.
- Molestar o acosar a otros pasajeros o al conductor.
- Traer animales (cualquier mascota además de los animales de servicio). Sin embargo, se permiten mascotas pequeñas en transportadores.
- Fumar tabaco, incluso cigarrillos electrónicos.
- No se permite comida ni bebida en los autobuses.
- Se permite reproducir música solo si tiene audífonos o audífonos que eviten que su música moleste a otros en RRTA. Apague la función de altavoz mientras conduce.
- Es ilegal evitar pagar la tarifa RRTA, ya sea omitiendo el pago o utilizando una tarifa falsificada.
- También es ilegal llevar explosivos, contenedores de combustible de cualquier tipo u otros objetos potencialmente peligrosos a la propiedad o a los autobuses de la RRTA.
- No se permite vender bienes o servicios en RRTA, esto incluye entregar facturas y folletos comerciales a los pasajeros de los autobuses.
- Los cochecitos, sombrillas y carritos deben estar plegados al subir al autobús.

Ser respetuoso con las personas que te rodean y ser considerado con los compañeros pasajeros y operadores no requieren más que una cortesía común. Y la cortesía común es todo lo que les pedimos a nuestros pasajeros.

# **Transit Watch**

## **Safety & Security Awareness Program**

**Let's count on each other for a safe ride**

**Be Involved.  
Be Informed.  
Be Alert.  
Be Prepared.**

**These 4 B's are your ticket to a safe, secure ride.**

### **Be Involved in a Lifesaving Partnership: Transit Employees & Passengers**

As a resource, transit employees provide a wealth of specialized knowledge and on-the-job experience. Likewise, transit passengers contribute to the security equation by providing thousands of extra eyes and ears capable of identifying possible life-threatening situations.

When transit employees and transit passengers pool these resources, the result is a highly effective, first line of defense against a potential natural or man-made disaster. Please make a commitment to becoming an alert, informed, prepared and involved member of this employee-passenger partnership. Rest assured, your efforts will go a long way toward enhancing the safety and security of our transit system.

### **Be Informed & Have a Transit Plan of Action**

- Familiarize yourself with station entrances
- Remain calm and listen for any bus announcements
- Follow transit authority instructions in a speedy but orderly fashion

- Do not block bus doors from closing
- Assist fellow passengers and follow the Golden Rule: Watch out for the safety of others just as you would have them watch out for your safety

### **Be on Alert for Suspicious Packages**

If you spot an unattended package, look for the following:

- Placement in an out-of-the-way location
- Individuals in the act of abandoning the package and hastily departing the area
- Unusual attached batteries, wires, tanks, bottles or bags that might contain chemicals
- A suspicious cloud, mist, gas, vapor, odor or seeping fluid
- Nearby individuals showing signs of illness or distress

### **Be on Alert for Suspicious Behavior**

If you spot any suspicious individuals engaged in questionable activity, look for the following:

- Visible signs of nervousness
- Excessive sweating
- Sprayer bottles or aerosol canisters
- Inappropriate clothing that is excessively baggy or too heavy in warm weather.

Do not confront suspicious individuals. Contact a transit employee or the police immediately.

# **American With Disabilities Act Reasonable Modifications**

On March 13, 2015, the Federal Department of Transportation issued a Final Rule affecting 49 CFR Parts 27 and 37: Transportation for Individuals With Disabilities; Reasonable Modification of Policies and Practices. The purpose behind this final rule is, "...specifically to provide that transportation entities are required to make reasonable modifications/accommodations to policies, practices, and procedures to avoid discrimination and ensure that their programs are accessible to individuals with disabilities." The modification requires Federal funding recipients make reasonable accommodations in policies, practices, or procedures, when necessary, to avoid discrimination on the basis of disability unless recipients can demonstrate that making the accommodations would fundamentally alter the nature of the service, program, or activity or result in an undue financial and administrative burden. This requirement, applying to both fixed-route and paratransit services, is effective July 13, 2015.

RRTA's Reasonable Modification request process is consistent with the ruling: (1) individuals requesting modifications are asked to describe what they need in order to use the service; (2) individuals are not required to use the term "reasonable modification" when requesting modifications or accommodations; (3) when feasible, requests for modifications should be made in advance; (4) operating personnel may make a determination for modification at the time of service—management may be consulted to grant/deny the request.

Requests may be submitted to the Reasonable Modification Officer, 45 Erick Road, Lancaster, PA 17601 or by email [info@redrosetransit.com](mailto:info@redrosetransit.com) or by phone (717) 397-4246. For more information, visit <http://www.redrosetransit.com>

El propósito detrás de esta regla final es: "... específicamente para disponer que se necesitan entidades de transporte para hacer modificaciones razonables / alojamiento en las políticas, prácticas y procedimientos para evitar la discriminación y garantizar que sus programas sean accesibles a las personas con discapacidad." La modificación requiere beneficiarios federales de financiación hacen ajustes razonables en las políticas, prácticas o procedimientos, cuando sea necesario, para evitar la discriminación por motivos de discapacidad a menos beneficiarios pueden demostrar que lo que el alojamiento alteraría fundamentalmente la naturaleza del servicio, programa o actividad o dar lugar a una carga financiera y administrativa excesiva. Este requisito, aplicando tanto a ruta fija y servicios de transporte informal, es efectiva 13 de julio 2015.

Razonable proceso de solicitud de modificación de RRTA es coherente con la sentencia: (1) las personas que solicitan modificaciones se les pide que describan lo que necesitan para utilizar el servicio; (2) los individuos no están obligados a utilizar el término "modificación razonable" al solicitar modificaciones o adaptaciones; (3) cuando sea posible, las solicitudes de modificaciones deben hacerse con anticipación; (4) El personal que operan pueden hacer una determinación para la modificación en el momento de la gestión del servicio puede consultarse a conceder / denegar la solicitud.
